Get Into Nature

Everyone *loves* an
Adventure in New Hampshire!

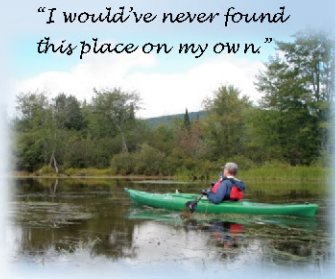

"Survival skills are great to know."

"I can't believe we were the only ones there."

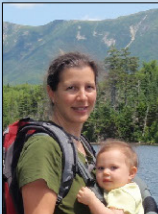

"I loved seeing everything we got to see."

"I would've never found this place on my own."

Statewide ~ All Year

Explore nature, spot wildlife, practice skills, and discover Granite State's natural and human history with our custom private adventures and outdoor education courses. We offer lessons, tours, team-building experiences, day trips, and multi-day trips. Complete packages include meals, equipment rentals, special needs/interests tailoring, shuttle/luggage assistance, and lodging/camping options for you, your family, or group. We also offer outfitting for self-guided trips in New Hampshire. Contact us for itinerary options, availability, booking, pack list, and directions to meet your guide/instructor(s).
